2024: YEAR OF EXPOSURE

"A Year of Exposure: What Was Hidden Is Coming Into the Light

As we reflect on 2024, it's clear that this has been a year of Exposure. God has brought hidden things to the surface, both in the world and within our church. Through this season, we have seen incredible growth, uncovered new gifts within our community, and stepped into greater opportunities to serve and impact others.

This report highlights the milestones we've achieved, the lives we've touched, and the ways God has moved through Transformation Christian Fellowship this year. Together, we look ahead with anticipation, knowing that the light we walk in will continue to illuminate the path forward.

What an incredible year 2024 has been for Transformation Christian Fellowship! This has truly been a year of Exposure—a season where God has revealed new growth, both numerically and spiritually. My wife and I are deeply encouraged by the ways we've grown as a community and the direction God is leading us.

TCF, let's keep our eyes fixed on Jesus as we look ahead. The journey before us is great, filled with divine opportunities that require our faith and focus. I believe we are stepping into a season of a divine flip—a time when God will turn things around for His glory and our good.

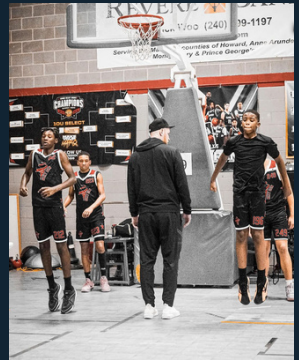

Let us continue to thrive together, knowing that transformation starts here. The best is yet to come!

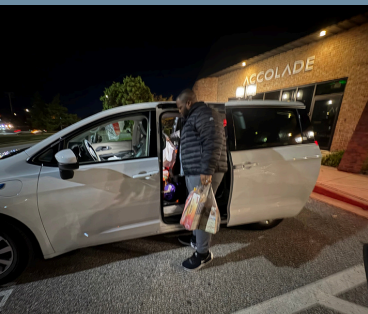

Blessings and Warm Regards,
Brandon Hill Sr
Senior Pastor, Transformation Christian Fellowship

WHAT GOD ALLOWED US TO ACCOMPLISH

We are passionate about transforming the lives of our youth through sports, and this year, we had the privilege of connecting with an incredible organization near us: Triple Threat Training. This organization specializes in training elementary and middle schoolers in basketball performance, helping them grow both on and off the court.

Through this newfound partnership and our generous donation of over \$500, we're thrilled to sponsor a child's participation in their program. We also look forward to building a strong relationship with Triple Threat Training, led by its renowned owner, Joshua Morgan-Green. With a track record of training athletes from teams like the Maryland Terps, Chicago Sky, Indiana Pacers, and LA Clippers, Joshua brings unparalleled expertise and dedication to youth development. We're excited about the opportunities this partnership will create for our youth to thrive in sports and beyond!

Our Friendsgiving Sunday was a beautiful moment of community and fellowship, bringing everyone together after service to celebrate the spirit of gratitude and giving. As part of this special day, our church partnered with the Boys & Girls Club to bless a family in need during the Thanksgiving season. Together, we were able to donate over \$200 worth of groceries, offering practical support and a reminder of God's love in a challenging time.

Senior Pastor Brandon and Executive Pastor Dominique took a moment to pray for the family, who were grieving the loss of a loved one, bringing comfort and encouragement during their hardship. After prayer, we had the honor of stocking their car with groceries, ensuring they had the resources they needed. It was a powerful reminder of how the church can come together to make a difference and share hope, even in the midst of sorrow.

This year, our life groups have flourished, creating vibrant spaces for community and spiritual growth. The Glory Girls Life Group hosted their memorable Glorious Garden Tea Party, a time of fellowship and inspiration. As they continue to thrive, they are looking forward to celebrating their 5th anniversary next year—a testament to the strong bonds and impactful ministry they've built.

Meanwhile, the Transformed Men's Life Group welcomed a new director, Pastor Mike Jefferson, positioning the group for even greater growth and connection in the coming year.

This year, Transformed Men delved into meaningful discussions and fellowship through the book "The Samson Syndrome", fostering spiritual growth and connection. Additionally, the church sponsored a memorable men's gathering at Top Golf Germantown, creating an atmosphere of fun and camaraderie.

As a church, we have also been committed to blessing others in tangible ways. This year alone, we've distributed over \$1,500 in gift cards to meet needs and share God's love in practical, impactful ways. It's been a joy to witness how these efforts, along with our thriving life groups, have strengthened our community and deepened our commitment to serving one another.

We've also witnessed incredible spiritual milestones within our church family, with 6 individuals making the life-changing decision to get baptized and rededicate their lives to Jesus Christ.

This year, our clothing drive was once again a tremendous success, demonstrating the power of our community coming together to meet needs and share God's love. Through the generous donations and efforts of our church family, we were able to make a meaningful impact, ensuring that those in need had access to essential clothing items. It's always inspiring to see how this initiative brings hope and dignity to so many lives.

In addition to the clothing drive, we launched an exciting new outreach initiative to support students as they prepared for the first day of school. In partnership with Ryan Collins, Darnell Woodfork, and Naseechah Savannah, we provided haircuts for boys and hairstyles for girls to help them start the school year with confidence and pride. This collaboration reflects our church's heart for serving the community in creative and impactful ways, ensuring our youth feel valued and empowered.

At Transformation Christian Fellowship, we believe in planting and supporting churches to fulfill our mission of connecting lives to the transforming power and love of Jesus Christ. We are committed to being agents of change in the world, and this year, we blessed our two growing ministries. River Life Church celebrated its first church anniversary, and we were honored to donate \$1,000 to help them complete their official non-profit organization status, ensuring their continued growth and impact in their community.

Additionally, we celebrated alongside Destiny Changers Christian Fellowship, led by Pastor Quenten Pettis, as they secured a new building and marked their first church anniversary.

Our church contributed \$1,000 to support their transition and plans to give even more as they establish themselves in their new space. Additionally, we contributed \$500 to One Love Church, a new church plant launching in Philadelphia in 2026, led by Pastor Theo and Yazel Berry.

One Love Church will serve as a beacon of hope and compassion, welcoming every individual, valuing their unique journey, and empowering them to grow in faith

These partnerships reflect our heart for expanding God's Kingdom and empowering other ministries to thrive in their mission of spreading His love and transformative power.

As we close the chapter on 2024, a year marked by Exposure and divine revelation, we give God all the glory for what He has done in and through us. This has been a year of uncovering—of hidden truths, untapped gifts, and unprecedented opportunities. It's a testament to God's faithfulness that what was once in the dark has been brought into His marvelous light, allowing us to grow, transform, and impact the lives of so many.

As we reflect on the milestones and victories outlined in this report, let us remember that the light of God doesn't just reveal; it also directs. Together, as Transformation Christian Fellowship, we step boldly into the future, confident that the same God who illuminated our path this year will continue to lead us forward into new dimensions of purpose, service, and transformation. The best is yet to come. Let's move forward in faith and expectation!
